YOURS

Yours to keep

Squarespace account

01 WHERE WE STARTED

What we built it around.

01 My dad started the practice. I started kindergarten.

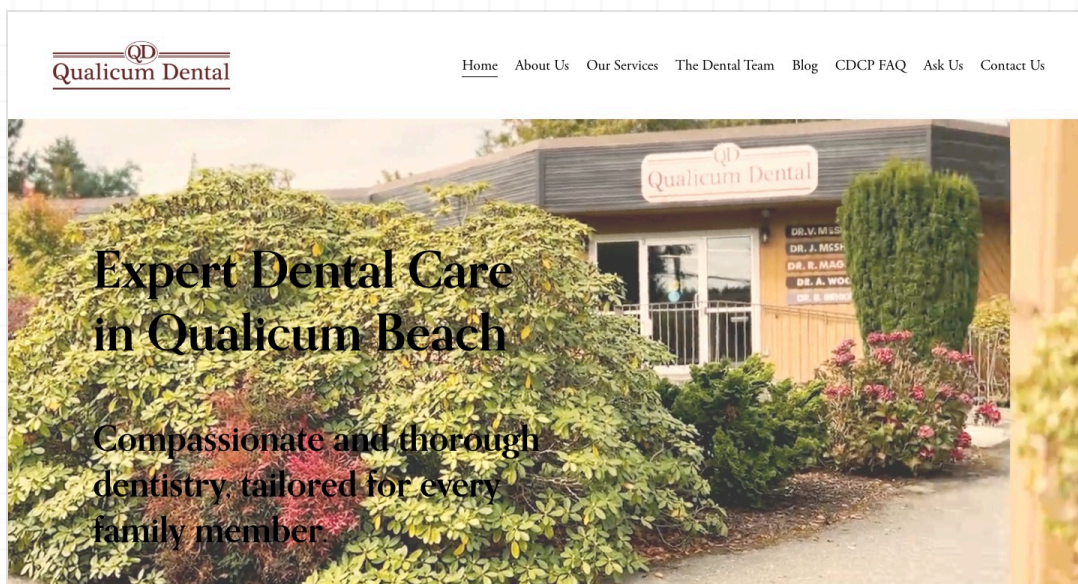

Dr. Jo's own line from the Cheers to 50 Years post: September 1974, when Dr. Verne opened the practice. Option 1 sets it under the two of them, in ovals drawn from the rules of your logo.

02 A team that stays.

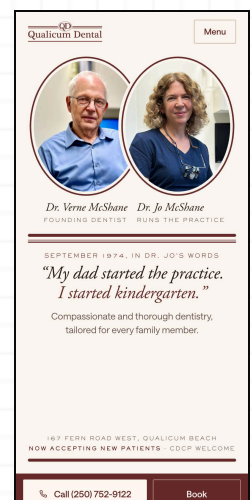

At your 50th, Dr. Verne joked that your newbie had only been there 15 years. Option 2 builds on that joke, with your Fern Road building lit at dusk and your patients' own reviews beside it.

03 Fifty years of Oceanside families.

From the first tooth to the golden years, since 1974. Option 3 plays your own practice film as four chapters: Fern Road, the front desk, the chair and the whole team.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03 Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,750) when you say go, the rest (\$1,750) when the site is live. You've seen the homepage before paying anything.
